

TONGASS FEDERAL CREDIT UNION

“BOOST MY ALASKA EDUCATION” DRAWING

For GRADUATING HIGH SCHOOL SENIORS

Up to three \$500.00 cash prizes to be paid directly to a *school, training program, vocational program, college, community college, or apprenticeship program in Alaska* for expenses related to the student being enrolled in a part-time or full-time program for summer or fall 2008. If the winner does not have funds committed and confirmed by September 30, 2008, the award will move to the next alternate who is enrolled and able to commit funds in a timely manner.

This drawing is open to graduating high school seniors who are members of or children/grandchildren of members of Tongass Federal Credit Union at the time of application, and who will be enrolled in an eligible Alaska program as described above in summer or fall of 2008. All entrants will have an equal chance of having their names drawn. Prior to the drawing, each entry application will be inserted in a like, sealed envelope, with no identification on the outside of the envelope. The credit union's Scholarship Committee will draw three winning names and two alternate names. Alternates receive cash awards only if a winning entrant fails to be enrolled in a qualified program in a timely manner.
